DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-12, 25, 28-37 are allowed.

The following is an examiner's statement of reasons for allowance: Independent claims 1 and 25, when considered as a whole, are allowable over the prior art of record. Specifically, prior art of record fail to clearly teach or fairly suggest the limitations "displaying the reduce web page containing a fragment from the plurality of fragments in the allocated display area; wherein the image has an intended resolution and wherein the web page is displayed at a reduced resolution and the fragment is displayed at the image's intended resolution". The dependent claims further add limitations to the allowable subject matter of the corresponding independent claims; thus are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
